EXPERIENCE

PRODUCT ANALYSIST

Textails Production Company

- Working in the textiles packing department involves handling the final stages of the production process, ensuring that finished textile products are properly packaged, labeled, and prepared for shipping. Here are some typical work experiences one might gain in the textiles packing department

PROJECTS

PERSONAL PORTFOLIO WEBSITE

Developed and designed a responsive personal portfolio website using HTML, CSS, and JavaScript, Bootstrap, Mysql, PHP.

TOUR AND TRAVEL AGENCY WEBSITE

Developed a dynamic tour organizing website catering to travelers' needs. Key contributions include:

- **User-friendly Interface:** Designed an intuitive and responsive UI to enhance user experience across devices
- **Booking System:** Implemented a secure booking system, allowing users to browse tours, select dates, and complete reservations.
- **Responsive Design:** Ensured optimal performance and accessibility on various devices through responsive design techniques.
- **Version Control:** Managed codebase using Git and hosted the project on GitHub.

TODOLIST-EVENT MANAGEMENT

Developed a dynamic web application for managing tasks and organizing events, showcasing proficiency in HTML, CSS, and JavaScript.
